Dear Sir:

The following amendments and remarks are submitted in response to the April 8, 2003 Office Action.

The specification and the claim have been amended as suggested by the Office to overcome objections and rejections under 37 C.F.R. 1.163 and 35 U.S.C. 112. All amendments have been included in a substitute specification. A marked-up version of the substitute specification is presented in Appendix A; and a clean version of the substitute specification is presented in Appendix B.
